MASTER THE WATERS

SURVEY BOAT 6.50

COMPACT. EFFICIENT. SMART.

The Survey Boat 6.50 is a compact but smart workboat. Hull and cabin are primarily designed for efficient survey jobs. But her practical working deck and walk-around cabin will let you do other workboat jobs just as easy.

Highlights

- >> outboards or inboard
- >> full cabin
- >> containerable
- >> trailerable
- >> optional single lifting
